25X1 5. [redacted] Called Bill Woodruff, Senate Appropriations Committee staff, and firmed up arrangements for a visit by Jim Calloway, Guy McConnell and himself next Thursday and outlined our suggested briefing topics. They were quite agreeable but he said he would probably not be coming out now since his nomination to be Assistant Secretary of the Air Force for Financial Management has been sent to the Hill and his hearing on this appointment is scheduled for Thursday morning. He urged us to go ahead with Calloway and McConnell, however, and I plan to be in touch with them further.

25X1 6. [redacted] After checking with the Office of Personnel,
25X1A I called [redacted] to tell him he would be receiving a call early next week to arrange an appointment or appointments for interviews with some of our senior intelligence officers. I reminded him again, however, that the personnel situation here was extremely tight and I could not be at all optimistic as to the results of these interviews.

25X1 7. [redacted] The office of Bill Timmons, Assistant to the President for Legislative Affairs, called to invite John Maury to attend a Congressional Relations staff meeting tomorrow (Saturday) at 9 a.m. in the Roosevelt Room. This will be a meeting of all legislative liaison officers in all departments and agencies. Mr. Maury will attend.

25X1 8. [redacted] Colgate Prentice, Deputy Assistant Secretary of State for Congressional Relations, called to say that Representative Tennyson Guyer (R., Ohio), a new member of the House Foreign Affairs Committee would like to come out for a briefing. I said we would be glad to see him and suggested that he call me.

25X1 9. [redacted] Delivered to the offices of Senators John Tower (R., Tex.), J. W. Fulbright (D., Ark.), and Representatives Silvio Conte (R., Mass.), Louis Stokes (D., Ohio), Herman Badillo (D., N.Y.) and John Murphy (D., N.Y.) [redacted] in which their names were mentioned.
